It is hard to believe it, but June is upon us! The (very) high temperatures are becoming more regular and the sun is shining longer and longer each day. To me at least, it feels like Easter was just a couple weeks ago, not a month and a half! But as the Easter season comes to a close this Sunday we are invited, as a church, to contemplate the arrival of the Holy Spirit and what that arrival means for us as Christians. There are three main symbols used by the church to reflect on Pentecost and what it means.

The first symbol is a flame. Drawing on the story from Acts 2 when the Holy Spirit descended on the disciples as tongues of fire, the church has used fire imagery to symbolize the arrival of the Spirit. The church talks about the Holy Spirit "lighting a fire" in us to go and do the work of the kingdom. You'll hear people say they have a "burning passion" for something. Famously, John Wesley, the founder of Methodism, spoke of attending a church service and having his "heart strangely warmed." That moment renewed his faith and spurred him to continue to preach. The Holy Spirit creates a kind of energy that fire represents so beautifully—strong and persistent.

The second symbol you'll see on Sunday is a dove. This is actually a symbol that gets moved from where it originally started over to Pentecost. The dove descending from heaven comes to us from Christ's baptism in Matthew 3. Jesus goes down into the waters of baptism, led by John the Baptist, and as he emerges from the waters, "suddenly the heavens were opened to him and he saw God's Spirit descending like a dove and alighting on him" (Matthew 3:16). And so the dove comes to us as a heavenly symbol of the Holy Spirit's presence.

Finally, you'll notice *a lot* of red in the sanctuary on Sunday. The paraments, the scarf on the cross, even Amy's and my stoles will all be red. On the surface, the red symbolism is pretty simple—it hearkens back to the tongues of fire. Heat and fire can be represented by the color red. But for a long time now, the color red, as a liturgical color, has symbolized a desire for justice. It has come to represent the arrival of God's Spirit, yes, but also a church that speaks up for those whose voices are ignored. I particularly like this symbol because I think it speaks to the main point of the Pentecost story. Yes, the Holy Spirit descends upon the disciples with power, in the form of flaming tongues. God's presence is reestablished with them, but the Spirit then *immediately* sends them out into the world to care for people. The Spirit *immediately* sends them out to continue Christ's ministry. It does not descend upon them for no reason! The Holy Spirit comes to guide them to the people who are hurting and give them power to help them.

As we come to Pentecost this year, seek the Spirit's presence in your own life. Who may the Spirit be calling you to? How might God be calling you to help those people? Jesus's ministry was centered around his conviction that every person was a child of God. How is the Spirit leading you to continue that ministry?

I look forward to seeing all of you on Sunday in your brightest red! Grace and peace,

Pastor Ben

All church members who are currently serving in a ministry or mission team should now have received an email from the Nominating Team regarding serving next year. (If your email did not arrive, please contact Jennifer Bowen at Jennifer.pt.bowen@gmail.com. As people consider how to serve in the next year, we would like to mention some areas where we know there will be needs in the following areas: Greeters, Youth Sunday School, Family Ministries, Youth Team, Sound Team, Song Leaders and Pianist for Carolina Reserve, and the Nominating Team. <u>Mission Trip Opportunity:</u> Location: Hope Valley Baptist Church Event: Rocky Railway VBS Date: July 14-17 Thursday, 7/14 – 6:00 – 8:00 pm Friday, 7/15 – 6:00 – 8:00 pm Saturday, 7/16 – 3:00 – 5:00 pm Sunday, 7/17 – 3:00 – 5:00 pm

How would you like to join us for an outstanding mission opportunity and never have to leave Durham? **Rocky Railway VBS** starts in a little less than six weeks and more families continue to sign up daily. However, this awesome chance to share Jesus' love with the children in our community depends on YOU!

As always, our goal for VBS is **100% participation** of our entire church family, and it is our prayer that every person will find a way to use his or her gifts and talents to participate in this vital ministry to our community. We are confident that EVERYONE in our church can find a role to fill in this year's VBS:

- Welcoming visitors as part of the **Registration and Hospitality Crew**
- Ministering to children as a Crew Leader or Station Rotation Leader
- Setting up food as part of the **Snacks Team**
- Maintaining a safe environment for our children and volunteers with the Security Team
- Assisting the **Decorating Team**
- Helping to provide materials for use at different stations.
   Being a part of our **Prayer Team** and committing to pray for our volunteers and the children and families who will attend VBS at Hope Valley.

To register a child or to volunteer, check out our online registration at <u>www.hvbc.org</u> or call the church office and say, **"Sign me up!"**
